More importantly, you should focus on calming down the master.
확!
Na, Na Rae?
.....
Hey, hey. What's wrong?
That woman! *sniffle* That woman said*sniffle* Sung Hoon *sniffle*
hates me
....
Who, when, where?

Well, if a man has normal preferences..
and they had to pick between you and her, Nae Rae would win.
And I'm definitely a healthy man...
However.....
Listen carefully.
If you love someone, those things don't matter.
You have your own charm.
That's why I...
In truth, looks, wealth, boobs, height, personality, and lots of other things are a factor...
But, but,
did that woman not say it?
Because of my chest *sniffle* that you won't ever *sniffle* love me-!

love you so very much.
No, I lied.
R, really?
I
love you so so much!
Hnyah?
.....
Be- ca- use-

Heh. Really now,
you're such a tease.
So, Sae Hee.
Did you call me you crimin.., I mean, young master?
What are we going to do about Na Rae?
We can simply put her in a barrel with cement and toss her into the ocean, but...
it's not you, so I won't do it.
So you'd do it if it was me?
I was planning to alter her memory, but there was a slight problem.
What is it?

This person called Na Rae, is part a the "Bear Clan".
I assumed she was a normal human, I've been had.
She can't harness her powers yet, but I didn't think she'd be able to go through the barrier undetected.
?!
What I was doing all day is,
setting up a barrier that can detect all other phantoms other than us.
Bear clan? Barrier?

Then, explain to me simply, what the bear clan is.
The enemy.
.... more detailed please.

While drinking?
Is it an alcohol barrier?
Do you have com-plaints?

To put it simply, they're bitches controlled by a bitch.

Ungnyeo? As in the one from the legends?
Is there a different Ungnyeo?

Let me explain to you simply.

They are descen-dents of the bear known as Ungnyeo, and once they fulfill the conditions,
they become puppets of the Ungnyeo, a lineage of women.
Only the head gets to keep her reasoning.

That fat ajumma didn't like the fact that Hwangun had an interest in me, so,
she's using her bloodline to kill me.
Isn't that dangerous?
No worries.
They can come at me in the tens, or even hundreds...
I will still protect you.
They were defeated 300 years ago,
The seal is even weaker than before, they stand no chance against the master.

So how is the fact that Na Rae is part of the bear clan a problem?
Members of the bear clan have some resistance to magic.
If one hastily uses spells, it could turn out to be a problem.
What problem?
If you're lucky, you go insane. If you're not, instant death.
Hey...
So you can't alter her memories, so you're telling me to find another way?
That is correct.
가슴

胸

pecho
Huh?
Chest size.
Actually, if she knew about her own powers, it would make things easier.
Then why don't you just fulfill the conditions?
What is the condition?

When those that are part of the bear clan reach the D-cup, their powers awaken.
I don't know what a D-cup is,
but all those that I defeated had use-less fat!
Seriously?
So what do I do? Tell her the truth?
Do as you wish
is that fine?
She could become the mistress of my husband.
Telling her is the right thing to do
HELP ME KING SOLOMON~~~
Eh, just cut it in half
LEND ME YOUR WISDOM~
Wisdom #1
So, I came to your house
and fainted, and then I woke up an hour later?
DO YOU WANT TO DIE?
So it didn't work?

Wisdom #2
grasp
To tell you the truth, Rang Ii is the tiger from the legends
She avoided humans while living with my grandpa
After he passed away(not dead yet) she had nowhere to go, so I brought her to Seoul
ORIGINAL. Karnel
ARRANGEMENT. Kang Sung Hoan
It must have been hard.
You must have been shocked by your grandpa's death.
Ok, I'll understand.
No, I'm serious..
YOU'RE TELLING ME TO BELIEVE THAT?
THAT TAIL AND EAR MUST BE SOMETHING YOU FORCED ON HER BE CAUSE OF YOUR FETISH!
PERVERT! SEXUAL HARASSER! DIRTY GEEZER!

THIS IS A PART OF ME!
YOU'RE WRONG!
I know, but phantoms? In this day and age?
If I don't respond like that I can't think straight.
And your guardian here was trying to decieve me with his stupid lies.
It's fine.
I would have felt worse if I didn't know anything.
Sorry...
Even if your Dad is around...
Just for reference... the young master's parents left the house.
Now that everything's revealed. What're you going to do?
Rang Ji and Sae Hee... are phantoms, but they're girls.

YOU'RE TELLING ME TO BELIEVE THAT RIDICULOUS EXCUSE?
Ah, uh, I came home and they said they left...
WHAT DO YOU MEAN? DON'T TELL ME YOU WERE TRYING TO DO THINGS BEHIND YOUR PARENTS' BACKS!!
CALM DOWN! READ THIS LETTER!
.....?!
No.
I can't exactly chase them out...
So you're going to stay like this until your parents come back?
I'll keep them at my place then.
What would happen if you did something bad to them?
What do you mean "what". I'd be slaughterd..
No, you can't do that.
Why? Don't tell me...
No, they followed me blindly, I can't exactly put them somewhere else.
I'm responsible for these two.

E, even if you say that, you don't look cool.
I wasn't trying to be.
I'm grateful for your feeling though.
.....
Then...
Until your parents return,
I'm staying at your house!
EEEEEEEEEHHH~~?!!!
